Maximum Payload. #		Kg		26,000#	27,000#

\* Tolerance factors must always be taken into account by the shipper. To be used as a guide only.

We suggest you work your calculations out on the minimum measurements.

# Please check legal weight limits with your transport company and you overseas customer before loading. Victorian road limits are about 24,000kg of cargo.

Best regards,

Mark Coleman  
 Export Manager.
